# Important Information about our Licensee

## Financial Services Guide

This Financial Services Guide (FSG) is designed to clarify who we are and what we do, and help you decide whether to use our services.

To make things simple, this guide explains:

- the services and types of products we're able to offer you;
- how we, our associates and related parties are paid and any other benefits we may receive;
- any potential conflicts of interest we may have;
- how we protect your privacy and handle your personal information; and  how we resolve disputes, and what you should do if you have one.

Please read through the whole FSG, as it's full of useful information to assist you in deciding whether to use any of the services offered— and is also worth holding on to for future reference. And of course, if you ever have any questions, please contact us.

## Other documents you may receive

**In addition to this FSG, if we provide you with financial advice we will also present you with a written Statement of Advice (SOA).**

This will describe:

- advice and strategies we recommend and the reasons why;
- the financial products and services we recommend and the reasons why;
- any fees or commissions we will receive; and
- any associations we have with financial product providers or other parties that may influence the advice we provide.

After that, any time you receive further financial advice from us, we will either provide you with another SOA or give you (or keep our own) written Record of Advice (ROA). You can request a copy of this by contacting us any time up to seven years from the date of the advice provided. Please refer to the "Contact us" section of this FSG for our contact details.

To help you make an informed decision about a financial product (other than direct holding of securities), you generally will be given a Product Disclosure Statement (PDS) which outlines the product features, risks and costs in detail. In certain circumstances, it is not a requirement that you be given a PDS (including, for example, where you already have one).

You should read the PDS carefully before making any decision to buy a financial product or accept the strategy recommended to you.

A Fee Disclosure Statement (FDS) will be issued to you in instances where you enter into an Ongoing Fee Arrangement with your adviser. The FDS will contain information about the services you were entitled to, the services you received and the fees you paid during the period.

A Renewal Notice will be issued every 2 years if you have entered an ongoing fee arrangement. The Renewal Notice will give you the option of renewing the ongoing fee arrangement.

## Giving us instructions

If you want to make changes to your financial plan or provide other instructions, please contact us. Please refer to the "Contact us" section of this FSG for our contact details.

Generally, you will need to give us instructions in writing (eg email or letter) or another method agreed with us.
