What is a Financial Services Guide?

This Financial Services Guide ('FSG') helps you understand and decide if you wish to use the financial services we are able to offer you.

It provides you with information about the entities that may provide you with financial services:

- the Licensee's Corporate Authorised Representative, Freedom Finance Australia Southern Metro Pty Ltd, ("Freedom Finance Australia");
- individual Authorised Representatives of the Licensee (refer to the Adviser Profile).

We collectively refer to Authorised Representative(s) in this FSG as "us, our, we". We are the providing entity and are the authorised representative(s) of the Licensee.

Our authorised representative number is: 1269623.

This FSG sets out the services we provide. It tells you:

- who we are and how we can be contacted;
- who the licensee is and how it can be contacted;
- what services and products we are authorised to provide to you;
- how we (and any other relevant parties) are paid; and
- how we deal with complaints.

Not Independent / Our Lack of Independence

Endeavor Asset Management and Freedom Finance Australia is not able to describe itself as being independent, impartial or unbiased because:

- A director; a related entity or director of a related entity; or an associate, receives investment fees, volume-based payments, gifts or benefits from Endeavor Asset Management and Boutique Wealth Australia, which may influence the advice we provide

Personal Advice

We may provide you with personal advice that takes into account your needs, financial situation and circumstances. **Where we provide you with personal advice, we will provide you with a Statement of Advice ('SOA')**. The SOA outlines our advice and the basis on which the advice was given. It also outlines relevant information about us, our fees and charges associated with our advice. We are only able to provide personal advice about certain products as stipulated under the Licensee's Australian Financial Services Licence ('AFSL').

If we provide further personal advice after providing our initial advice, we may record this in a Record of Advice, instead of an SOA. You may request a record of the further advice that is provided to you, if you haven't already been provided with it. You can also contact us, using the details at the start of this FSG, within 7 years from when the advice is provided to request this record.

Occasionally we provide general advice. This is where we may express an opinion or recommendation influencing you in making a decision in relation to a financial product, but where we HAVE NOT considered your personal objectives, financial situation or needs. If we provide you with general advice, we will provide you with a warning that the advice may not be appropriate to your needs, financial situation or objectives. Additionally, we will provide you with an applicable Product Disclosure Statement ('PDS') (if one is available) which you should read before making a decision that the product is right for you.

When a financial product is recommended to you, you will be provided with a PDS issued by the product provider. The PDS contains information about the product to assist you in making an informed decision about the financial product. It will outline relevant terms, significant risks, and fees and charges associated with the product.

The Licensee has arrangements in place to maintain professional indemnity insurance. This insurance satisfies the requirements under s912B of the Act.

Please retain this FSG for your reference and any future dealings with us. We may also add documents at a later date which will also form part of this FSG, and these should be read together with the FSG. These documents will include the word 'FSG' in the heading.

If we provide you with 'personal advice' we will consider your individual objectives, financial situation and needs when making our recommendation to you.

We will only provide services to you, with your prior, informed consent. If you do not understand any of the information in this Financial Services Guide or have any other questions relating to the terms on which we will be acting, please contact us.

In providing our services, other financial matters may arise, however, we are not authorised to assist with any financial and product services except those explained above. You should seek specific advice from the appropriate professionals on other matters relevant to you.

What fees and commissions are payable to us?

Fees for providing you with our services are received by:

1. the Licensee, or
2. our related body corporate, or
3. the corporate authorised representative that employs the authorised representative.

All fees described in this FSG include GST.

All Fees are paid to and received by the Licensee. The licensee receives 100% of the fees in trust for the corporate owner of the revenue. The corporate owner of the revenue pays the Corporate Authorised Representative to provide financial services to clients, including employing individual authorised representatives. The Corporate Authorised Representative pays the Licensee a fee for being authorised. The individual authorised representatives receive a salary only including where applicable an annual bonus.

Service fees

We will discuss and agree our fee structure with you before we provide you with services. The types of fees you can be charged are listed below. You may be charged a combination, or part of, any of these fees.

Fees for advice

We may charge fees for the preparation, presentation and implementation of our advice. These fees will be based on your individual circumstances, the complexity involved in your situation, and the time it takes to prepare personal financial advice for you. We will discuss these fees with you and gain your agreement to the fees before we provide you with advice. These fees will either be a set amount or an amount based on the amount of funds under our advice (% based fee).

Ongoing advice fees

We may charge a fee to provide ongoing portfolio reviews and/or for the provision of ongoing services. This fee will be agreed with you and is either a set amount or an amount based on the amount of funds under our advice (% based fee), and/or the time involved in reviewing your portfolio and circumstances.

Commissions

If you take out a financial product through us, for example an insurance policy, EAM may receive payments in the form of initial commissions and/or ongoing commissions from the financial product providers. These commissions are included in the fees, premiums and interest rate (in the case of margin loans) you pay for the product. They are not an additional cost to you. We may agree to rebate some or all of these.

The commission payable for different classes of financial products include the following:

Examples of commissions we may receive

Life insurance products

Initial and ongoing commissions from insurance providers may be received by EAM. These commissions are paid to EAM by the company that issues the product that we recommend to you, and they are included in what you pay for the product. The commissions vary and are based on the policy cost, which is the sum of the premiums you pay and may include other fees related to the product.

The initial commission is paid in the first year by the product issuer to EAM. Ongoing commissions are payments paid by product issuers to EAM in the years after the first year. These commissions may be passed onto Freedom Finance Australia.

If you initiate an increase to your cover, EAM may receive an initial commission and ongoing commissions on the increase to your policy cost. The ongoing commission on a client-initiated increase is only paid in respect of the period that starts from the first anniversary of the increase.

If the initial commission is equal to the ongoing commissions (as a percentage of your policy cost), EAM may receive up to 35% (excl. GST) of your annual policy cost. If the initial commission is higher than the ongoing commissions, the maximum commission that EAM may receive is set out in the table below:

Date a new product is issued	Initial commission (% of annual policy cost or increase excl. GST)	Ongoing commission pa (% of annual policy cost or increase excl. GST)
Before 1 January 2018 or before 1 April 2018 when the application was received prior to 1 January 2018	0 - 140%	0 - 38.5%
1 January 2018 - 31 December 2018*	0 - 80%	0 - 20%
1 January 2019 - 31 December 2019*	0 - 70%	0 - 20%
From 1 January 2020*	0 - 60%	0 - 20%

* EAM may receive the pre 1 January 2018 commission rates above from the product issuer if:

- your policy was issued before 1 January 2018 and you exercise an option or apply for additional cover under your policy after 1 January 2018; or
- your policy was issued before 1 January 2018 and is replaced after 1 January 2018 to correct an administrative error.

Example

We recommend an insurance product to you and it is applied for and issued on 2 February 2018. The annual policy cost is \$450. EAM may receive up to \$360 (80% excl. GST) as an initial commission, and may pass up to \$360 to us. Assuming the policy cost stays the same each year, EAM may receive up to \$90 pa (20% excl. GST) as an ongoing commission, and may pass up to \$90 pa to us.

From 2 April 2020, you decide to increase your insurance cover. The cost of this increased cover is \$100. The initial commission payable to EAM in respect of this increase will be \$60 (60% excl. GST). The ongoing commission payable to EAM in respect of this increase will be \$20 pa (20% excl. GST), payable in respect of the period starting from the first anniversary of the date on which you increased your insurance cover (i.e. 2 April 2021). These commissions may be passed onto us.

You'll find details of how your insurance policy cost is calculated in the relevant PDS that we provide you. Where personal advice is provided to you, you'll also find details of the commission that EAM and we are entitled to receive, if you decide to purchase a life insurance product, in your SOA or ROA.

How are we and third parties remunerated?

The Licensee's directors and employees (including any employees of a related body corporate) are remunerated by salary and may also be awarded an annual bonus. Bonuses will depend on several factors, including:

- company performance;
- professionalism and adherence to compliance procedures; and
- team performance.

The Licensee's shareholders (including any shareholders of a related body corporate) will also receive a benefit based on the Licensee's ongoing company performance.

Freedom Finance Australia's shareholders will also receive a benefit based on Freedom Finance Australia's ongoing company performance.

You may request more details about the way these people or entities are remunerated within a reasonable time after receiving this document and before any financial services are given to you. If remuneration or other benefits are calculable at the time personal advice is given, it will be disclosed at the time that personal advice is given, or as soon as practicable afterwards. If remuneration is not calculable at that time, a statement of how the remuneration is calculated will be given to you at the time the advice is given, or as soon as practicable afterwards.

By using or continuing to use our services, you agree that:

1. All fees and charges received by us as described in this FSG (other than third party fees and charges) are a benefit given to us by you, in exchange for the services provided by us.
2. We do not charge asset-based fees where you are investing using borrowed money.
3. You understand, consent to, authorise and direct us to charge you in this way.
